

# PIUS X IS READY TO DON TRIPLE CROWN

**Auspicious Ceremony  
Takes Place Tomorrow  
at Rome.**

Scrpps-McRae Telegram.  
Rome, Aug. 8. — The attention of Rome is now centered upon the solemn coronation ceremony which is to occur Sunday, and for which great preparations have been made. The throne of St. Peter, which Pius X. will occupy, will be surmounted by a canopy forty feet high. The function will consume five hours.

The pope has informed the vatican officials that he wishes to be received on the threshold of the basilica by Cardinal Rampolla, who, as archpriest of the church, will address the formal greetings to him. At the conclusion of the ceremony the pope will confer his blessing upon the people, but it has not yet been decided whether he will do so inside the church or from the balcony looking out upon the piazza, where many hoped he would bestow his benediction on the day of his election. It is said that Pius is favorable to the latter plan, but that the influence of the vatican officials is against it, on the ground that it might be interpreted as a recognition of the present state of affairs in Italy. The holding of the coronation ceremonies in St. Peter's itself represents a concession, as in the case of Leo XIII it occurred in the Sistine chapel.

Although it is expected that sixty thousand tickets will be issued for the event, the demand for them is already very great.

**\$10,000**

**Asked By Barleyoung as  
Damages From W. &  
L. E. Road.**

John Barleyoung, who was caught between cars while at work in the W. & L. E. yards on May 4, has sued the company for \$10,000 damages. He alleges that the accident was due to the fact that the foreman or other employees of the railway company were negligent in not notifying him of the fact that an engine had been run in upon a side track to move the cars between which he was working. He claims that he was upon a side track that is used exclusively for placing broken and disabled cars for repairs and the plaintiff was working as a repairer between two cars when an engine bumped into them and caught him. His hips were crushed and for seven weeks he was confined to his bed. It is claimed that the injuries are permanent. Attorneys Craige & Snyder represent the claimant.

## TWO CAPTAINS ARE REAR ADMIRALS

**They Assume Commands Next  
Monday—Sigsbee Stands  
At Top of the  
List.**

Scrpps-McRae Telegram.  
Washington, Aug. 8.—The navy will have two new rear admirals next Monday. Captain Charles D. Sigsbee, who commanded the ill-fated Maine, when she was blown up in the harbor of Havana and Captain Colby M. Chester at present superintendent of the United States naval observatory in Washington, will be promoted to the grade of rear admiral on account of the retirement on Monday of Rear Admiral George C. Remy, senior officer in his grade. Captain Sigsbee now stands at the top of the list of captains as "extra number" having attained his present rank because of meritorious services in the war with Spain. Under the law his promotion takes him up to next highest grade officer. Ranking next below him is Captain Chester.

## SERIOUS TROUBLE IS NOT EXPECTED

**Bulgarian Bands May Be Easily  
Controlled By Turkish  
Troops.**

Scrpps-McRae Telegram.  
London, Aug. 8.—In official circles here the situation in the Balkans is not thought to be any more serious now than it has been for some time past. The Bulgarian bands, while they may be able to do some small damage, are powerless to effect a true revolution as they are outnumbered ten to one by Turkish troops, who are acting against them.

Unless Bulgaria formally declares war it is believed here that the situation will be kept well in hand by the Turkish officials.

POPE PIUS X.

## A DELIVERY AT THE PEN

**Condemned Man and  
Three Other Prison-  
ers Escape.**

Scrpps-McRae Telegram.  
Columbus, O., Aug. 8. — Lewis Harmon, murderer, Otis Keller and Robert Shiflet, horse thieves and Lewis Eyring, forger, escaped from the county jail here this morning. Harmon was convicted of complicity in the murder of Farmer George Geyer near Columbus. He is condemned to the electric chair but the sentence was not yet passed. Eyring belongs to Dayton and the horse thieves are Franklin county men. The four men went to the bath room together this morning and sawed away the bars of the window. It is believed that friends of Harmon smuggled in the saws.

## INSURGENTS

**Are Mobilizing in Macedonia  
-- Trying to Enforce  
European Inter-  
vention.**

Scrpps-McRae Telegram.  
Vienna, Aug. 8.—A dispatch to Die Zeit from Sofia says that the Macedonian inner organization has declared that the insurrection in Macedonia will last at least four months. The avowed object of the insurrection is to force a European intervention in the hope that in this way the people may secure political autonomy. The dispatch also states that six hundred insurgents have appeared in the neighborhood of Uskub, which is one hundred miles by rail from Salonika.

## "ENEMY" CAPTURED MEN ARE CAPTIVES

**Game of War Off Bar Harbor  
Ended By Quick Action of  
Defending Squadron.**

Scrpps-McRae Telegram.  
Bar Harbor, Maine, Aug. 8. — Admiral Sands with the attacking squadron tried to come into Bar Harbor last night and was captured in the attempt. Admiral Barker's fleet is now coming in from sea. The "enemy's" squadron of three battleships and three destroyers which has been threatening the New England coasts since Wednesday was run down and captured by Admiral Barker this morning at 5:50 o'clock. The ships were sighted by a scout at 4:40 o'clock southeast by east far out at sea from Mount Desert and the wireless did the rest. Admiral Sands and his men are now captives.

**WORKHOUSE ARRIVAL.**  
William Hardesty was received at the workhouse Friday evening from Carroll county. Hardesty was sentenced to spend 30 days in prison and pay a fine of \$50 and costs for selling liquor to a confirmed drunkard. Hardesty is well known in Canton.

## WRECK VICTIM ONCE LIVED IN CANTON

**Lafe Larson One of the Men  
Killed in Wallace Circus  
Train Smash-Up.**

Lafe Larson, a former employee of the Miller-Blanchard Co. of this city was killed in the collision between two sections of Wallace Bros.' circus train at Durand, Michigan, Friday morning. Larson's name is given in the death lists sent out, and his residence as Cambridge, Ohio, which makes the employees of the Miller-Blanchard company certain that Larson is the man who was employed here last spring. Larson had been working in the barns for some time but when Wallace's circus came to town he caught the show fever and ran away with the circus. He started to work in Canton in March. Larson was employed as a six-horse team driver with Wallace Bros. He has no relatives in this city and was acquainted with but few Canton people.

## BORAX IN MILK NOT A DESTRUCTIVE AGENT

**Although Canton Milkmen May Be Fined for Us-  
ing It, the Drug is Really Beneficial in  
Proper Quantities.**

When formaldehyde was found in certain samples of milk in Canton recently, the announcement was made that the inspectors would next begin to look for other foreign substances that might be in the milk for the purpose of keeping the fluid sweet, and especially for boracic acid or borax. Under the state law a conviction could be secured against a milk dealer who would put boracic acid in the milk offered for sale, but recent experiments made by the national government show that borax is perfectly harmless and in reality beneficial. The question was agitated first during the Spanish-American war when it was discovered that quarters of beef that were being shipped to the army had been coated with borax in order to kill germs and preserve the meat from spoiling. There was a great stir created at the time about embalmed beef. Dr. Wiley in the employ of the gov-

## TOM JOHNSON FOR GOVERNOR

**His Candidacy Has Been Definitely  
Decided Upon, Says Plain  
Dealer.**

### EFFORTS DIRECTED TO LEGISLATURE

"Mayor Johnson's candidacy for the Democratic nomination for governor of Ohio was definitely decided upon yesterday, after a conference between Mr. Johnson and Charles P. Salen, the mayor's chief political lieutenant," says the Cleveland Plain Dealer.

"Mr. Johnson's decision to allow his name to go before the convention was reached only after careful thought, and is in response to the insistent demand of the Democratic leaders throughout the state who are friendly to the policies and issues of the mayor."

"It was Mr. Salen who yesterday evening made the official announcement of the mayor's decision."

"Tom L. Johnson's name will be presented for the nomination for governor at the Democratic state convention," said Mr. Salen, "and, if it is the will of the party, he will this fall lead the fight for the success of those live state issues for which the party stands."

"Although it is well known that Mayor Johnson's chief interest in the state campaign this fall lies in the election of a Democratic legislature and the defeat of Senator Hanna in his desire for re-election, the mayor will also enter the gubernatorial fight to win. His own success, however, will be a secondary consideration, and through out the campaign his main attention will be given to the legislative fight in every county in the state."

### OLD FASHIONED

**Campmeeting to be Held at  
Rockhill Park—Rev. Bell, of  
Canton, Is to Take Part.**

(Staff Special.)  
Alliance, Aug. 8.—Rev. Brown of Massillon has opened an "old fashioned campmeeting" at Rockhill park. The exercises will continue for about ten days and services will be held daily at 10:30 a. m. and 2:30 and 7:30 p. m. Among those who will assist in the services are Rev. Bell, of Canton, Rev. Cooper and Rev. Harding of Youngstown, Dr. Anderson of Allegheny, Rev. Crockett of Sharon, Pa., Dr. Randolph of Franklin, Pa., and Miss Gwynn, the lady preacher of Bellevue. Music will be furnished by Mr. Mackey and company.

Rev. Brown who is in charge of the camp meeting is pastor of the colored church at Massillon.

## STARK DEMOCRATS ENTHUSED BY CANDIDACY OF JOHNSON

**Entire Delegation, with Possible Exception of Al-  
liance Faction, Will Rally Beneath His Banner  
--Golden-Hued Prophecy of J. H. Reigner.**

The Stark county delegation to the Democratic state convention will be for Johnson first and last for governor with the probable exception of the Alliance delegates. The announcement that Tom Johnson had entered the lists for governor was a surprise in general to Canton and Stark county Democrats, but as the same time it came as welcome news. Edgar Shimp, one of the delegates from Alliance is a relative of Candidate John L. Zimmerman of Springfield, and it is thought Mr. Shimp will use his influence to secure the Alliance delegation as a matter of compromise for the Springfield candidate. However, Mr. Shimp may see the impossibility of Zimmerman's nomination and give his support to the Cleveland mayor. A prominent Canton

Democrat stated Saturday that from all indications it is probable that Zimmerman will withdraw from the race, as his nomination is regarded as utterly impossible with Johnson in the race.

Justice of the Peace Jacob Reigner is very jubilant over the decision of the mayor and sees in his announcement a plan to reach the presidential chair in 1908. Reigner's ideas run something like this: Johnson will make a big fight this year to cut the Republican majorities, and also to lessen the Republican majorities in the state legislature. If he is successful he will be the candidate for governor again and will probably gain enough strength to be elected. If such would be the case Mayor Tom would be the logical Democratic candidate for president in 1908.

## IN THE PATH OF THE STORM

**Further Reports of Dam-  
age by Heavy Hail of  
Thursday.**

Echoes of the hail storm, which swept over the northern part of Stark county Thursday are still being heard. The extent of the storm area was greater than at first supposed, its track extending through Summit county, where the destruction was almost as great as in Stark. Southeast of Alliance and in the vicinity of Damascus in Columbiana county the hail and wind was very destructive, doing great damage to corn, oats and fruits. In the path of the storm everything was literally destroyed.

In some sections near Alliance people gathered the hail stones and used them to freeze ice cream successfully. From all over the country strange stories of the freaks of the storm are reported. In addition to chickens being killed, wild birds were found dead or crippled and it is thought that many young quail and rabbits perished.

In Summit county the loss is variously estimated at from \$25,000 to \$150,000. A dispatch from Krumroy, O., states that the hail fell in that vicinity in great volumes, doing much destruction. The character of the storm was the same as that in this section, showing that it was the same storm cloud.

The storm has done much to increase the trade in window glass. Farmers from the north part of the county were in Canton Friday buying glass. One farmer alone bought 90 panes, every bit of glass in two sides of his dwelling having been smashed.

The cold weather caused by the falling hail still continues, Canton people being compelled to don heavy wraps when out of doors and in some instances fires have been lighted to warm up dwellings.

### FIRM IS BANKRUPT

**Snyder Bros.' Affairs Now in  
the Hands of Referee  
McCarthy.**

The firm of Snyder Bros., whose affairs have been in the courts for some time, has been adjudged bankrupt by the U. S. courts at Cleveland and the papers have been sent to A. M. McCarthy, referee in bankruptcy at Canton. The firm dealt in teas and groceries. A schedule of debts has not yet been filed. The affairs are in the hands of a receiver and will be until a trustee is appointed.

In the bankruptcy of W. S. McKee of Sherodsville, W. L. Handley has been appointed trustee. McKee has died since the proceedings were commenced, but his affairs will be settled up in the bankruptcy court.

### INSURANCE

#### Arranged For the Tabernacle

At an adjourned meeting of the auditorium commission in the city hall Friday night the question of insuring the building during its construction was discussed. The special committee appointed last Tuesday to look into the matter, Messrs. Lynch and Krause, reported that they favored insuring the structure for \$5000 against fire and \$5,000 against storm.

Jacob Piper was appointed to investigate whether it would be cheaper to place all the insurance with one company or separate the fire and tornado indemnification. He will report at the next regular meeting.

## SEWAGE PLANT AT FAIRMONT HOME

**State Board Has Approved  
Plans for Disposal Works,  
Construction of Which Is  
to Begin Soon.**

(From a Staff Correspondent.)  
Columbus, O., Aug. 8. — The state board of health has approved the plans, prepared by Snow & Barber, consulting engineers, of Columbus, for a new sewage disposal works for the Fairmount Children's home at Alliance. Some weeks ago R. Winthrop Pratt, engineer of the board, made an investigation of the sewage disposal plant at the institution, recommended its abandonment and the installation of a new one.

The commissioners of Stark and Columbiana counties, which jointly maintain the home, engaged the Columbus engineering firm mentioned to prepare plans for a new plant and now that they have been approved by the state board it is likely work will be started on the improvement soon.

Mr. Josiah Hartzell, member of the board, gave the plans his approval on condition that a suitable quality of sand would be used and that the authorities carry out the engineers' instructions relative to the operation of the plant. He stated that the last plan approved by the board for a sewage disposal plant at the home was a failure not because of defective operation, but to a mistake in location. He said there would have been no failure had the plant been located as originally designed. The sewage problem is one which has caused trouble at the institution for years.

## THE IMPORTATION OF IMPURE FOODS

**To be Guarded Against by Uncle  
Sam—Chief of Chemical De-  
partment Goes Abroad.**

Washington, Aug. 8.—Dr. Harvey Wiley of the bureau of chemicals, United States government has gone abroad for a pleasure trip but incidentally so great is his interest in the pure food law recently passed that he

HARVEY W. WILEY

will call upon many consular representatives of the United States and instruct them in enforcing the measure.

The adulteration of food stuffs abroad has grown to a great extent and it is the intention of the government chemical bureau to put a stop to the importation of these dangerously adulterated edibles.

### HEARTY TRIBUTE

**Paid to Retiring General By  
the Army and Navy  
Register.**

Scrpps-McRae Telegram.  
Washington, Aug. 8. — The Army and Navy Register today pays a sincere tribute of admiration to General Miles, who goes on the retired list today. It says: "Even the prejudiced must admit the praise of the man who has gained respect for such personal characteristics as generosity of heart, loyalty, that never forgot friends of other days, and courage of conviction, with which one need not always agree in order to admire, and unimpeachable integrity."

### ROWLAND REUNION.

The annual reunion of the Rowland-Bechtel families will be held at Nimsia park, Canton, O., Friday, August 11. Nellie Lawrence, Secretary.

### OCARINA BAND

**Awoke the Inhabitants of  
Louisville -- Boosting  
Stark Beer.**

Louisville was awakened from its peaceful slumbers Friday night by the strains of music from the melodious ocarina or "sweet-potato." The music was furnished by the members of the Stark Ocarina band, of Canton, who as guests of John A. Brobst went to the French village in the car and serenaded the inhabitants. In the party were William Schumacher, John Walter and Frank Sieber, Harry Schaub, John Parks, Harry Keyes, Albert Behm and Michael Price.

Martin Theis was bound over to the grand jury by Mayor Smith Friday afternoon on the charge of assault with intent to maim. It is alleged that he bit George Weis in the finger several weeks ago in a fight. His bond was fixed at \$300. W. J. Piers appeared for Theis and Prosecutor Day for the county.
